SUMMARY

My experience is as an environmental social scientist and international sustainable development specialist with a focus on linking tourism and biocultural conservation. My research interests include the human dimensions of socio-ecological systems and sustainable livelihoods. I have academic and applied experience in 38 countries on 6 continents working with universities, communities, businesses, non-governmental organizations and multilateral institutions.

EDUCATION

Doctor of Philosophy

University of Otago, New Zealand

School of Business (AACSB and EQUIS accreditation)

Department of Tourism, 2017

Thesis: *Cultivating climate consciousness: Agritourism providers' perspectives of farms, food and place*

Master of Tourism with distinction

James Cook University, Australia

Schools of Business, Law and Governance and Tropical Environmental Sciences and Geography

Department of Tourism, 2006

Thesis: *Diversity is stability: An analysis of agroecotourism within sustainable agroecosystems in Costa Rica*

Bachelor of Arts with honors

Washington College, United States

School of Environmental Science and Studies

Department of Environmental Studies, 1999

Thesis: *Environmental awareness, social activism and legislation: The impact of environmental artists in American history*

CURRENT EMPLOYMENT

Tenure Track Assistant Professor (50/40/10): 08/2019 to Current

Warner College School of Natural Resources

Human Dimensions of Natural Resources

Fort Collins, Colorado, United States

Tenure Track Assistant Professor: 09/2014 to 06/2019

*Promotion to Tenured Associate Professor approved 05/2019

School of Business (AACSB accredited)

Hospitality and Tourism Management Studies Program

Stockton University, New Jersey, United States

Principal: 2008 to Current
Conservation and Sustainability Consulting
Cavaliere International, LLC, New Jersey, United States

RESEARCH INTERESTS

- Linking Tourism & Conservation
- Sustainable Tourism Development
- Nature-based & Rural Tourism
- Sustainable Foods & Ecogastronomy
- Agritourism & Sustainable Agriculture
- Sustainable Policy & Planning
- Human Dimensions of Natural Resources
- Parks & Protected Areas
- Biodiversity & Biocapacity
- Local Economies
- Circular Economy & Degrowth
- Destination Management and Planning
- Human-wildlife interactions
- Critical Thinking for Sustainability

PEER REVIEWED ACADEMIC PUBLICATIONS

Editorships: Special Issues of Journals

Boluk, K., **Cavaliere, C. T.** & Higgins-Desbiolles, F. (Eds.) (2017). Critical thinking to realise sustainability in tourism systems: Reflecting on the 2030 sustainable development goals. *Journal of Sustainable Tourism*, 25 (9), 1201-1204.

TEACHING

Colorado State University: Assistant Professor
(50% teaching, 40% research, 10% service: 12 credits per year)

- Tourism Impacts (NRRT 442)
- Tourism Planning (NRRT 470)

Stockton University: Assistant Professor (24 credits per year) * Tenured Associate Professorship approved 05/2019

- Tourism Economics (HTMS 3126)
- Sustainable Tourism (GSS 2339)
- Destination Management (HTMS 3129)
- Study Tour: Crete, Greece (HTMS 3132)
- Introduction to Tourism and Hospitality Management (HTMS 2101)
- Culture, Class and Cuisine (GAH 2311)
- Contemporary International Tourism (HTMS 2143)
- Agritourism and Sustainable Agriculture (SUST 4800)
- Professional Work Experience (HTMS 3901)

Assumption University: Visiting PhD Faculty

- Advanced Strategic Tourism Planning (TR 6901) Visiting Doctoral Program Professor: Sustainable Tourism PhD Program (2018 summer intensive course: 4 credits)

Otago University: Assistant Lecturer and Tutor

- Ecotourism Operations (T306)
- Tourism Development and Planning (T212)
- Tourism and Hospitality Management (T218)

ADVISING

Julia Brandstrator: Accepted PhD Assistantship student (begin Fall 2020)

Colin Brinkley: Co-advisor with Dr. Stuart Cottrell for undergraduate senior research (Spring of 2020)

FIELD BASED CURRICULUM

Stockton University: Crete, Greece

Curriculum designer and faculty leader

Agritourism and Agroecology, Crete, Greece (4 credits: 9-day trip)

12 undergraduate students: 9-17 May 2017

United Nations Environment Programme/GRID-Arendal: Svalbard, Norway

Curriculum designer and lead trainer

Climate Change Training in Svalbard, High Arctic (10-day voyage)

25 European Commission policy makers, July 2011

The International Ecotourism Society: El Salvador

Curriculum designer and lead trainer

Transitioning Agritourism Providers to Organic Practices, El Salvador (4-day training)

15 farmers: July 2008

North Carolina State University: Ghana

Invited field lecturer

Led sustainable tourism instruction

25 undergraduate and graduate students: June 2007 (14-day trip)

The University of Central Asia: Kyrgyz Republic

Curriculum development NGO consultant

Sustainable mountain tourism curriculum, Washington DC based/ Kyrgyz Republic undergraduate and graduate students, September 2006

United Nations Foundation Friends of World Heritage: Mexico

Curriculum development NGO consultant

Training materials for six UNESCO sites in Yucatan Mexico, June 2006

Rainforest Expeditions: Peru

Educational consultant

Tourism and environmental interpretation in Iquitos (14-day trip), March 2004
